## About Us

Theatre Resource is more than just a training organization; it is a movement aimed at integrating creative, dynamic elements into training across a wide range of industries and professional levels. Our mission is to replace traditional training methods with the immersive power of Applied Theatre, empowering learners to take an active role in their own development and fostering deeper engagement with the learning process.

# How are we different?

We at Theatre Resource®, apply a different training methodology that touches the human side of the organization thereby maximizing the learning outcome. Theatre Resource® offers, Drama Based Training modules to train people in behavioral areas. Our process aims at exploring various issues related with people in diverse areas using participative learning process. It helps participants to understand issues related with their personal, social, and work life. The aim of using drama-based training is to provide a safe space to the participants to explore various perspectives to support their decisions in life which would make them more successful in their work and happy in life.
